HUGHES HAS BUSY DAY

After His Conferences He Leaves for His Summer Home

SPENDS THE DAY AT HEADQUARTERS

J. B. Reynolds Made Secretary of the National Committee

New York, June 30.—Charles E. Hughes, Republican candidate for president, planned to leave New York yesterday for his temporary summer home at Bridgehampton on Long Island, there to remain until after the Fourth of July. He spent yesterday at his headquarters here receiving callers, among whom was William R. Wilcox, chairman of the party's national committee.

Mr. Wilcox later went into conference with the national sub-committee of the organization, of which W. Murray Crane of Massachusetts is chairman.

James B. Reynolds of Massachusetts was re-elected secretary of the national committee and F. W. Estabrook of New Hampshire was recommended to Mr. Hughes for New England member of the executive committee. Both ex-Senator Crane and Frank H. Hitchcock joined in the endorsement of Mr. Estabrook. The entire executive committee of 10 Republicans and five Progressives will be announced later.

Before departing for his summer home Mr. Hughes professed ignorance of any arrangements for a reconciliation meeting with William Barnes, former Republican national committeeman, along the lines of the two-plated Roosevelt dinner at the Hotel Astor.

WILSON TO DEFEND POLICIES TO STUMP

President Off to Make Speeches—Expected to Speak to the Country on the Mexican Problem.

Washington, June 30.—President Wilson may be expected to speak to the country on the Mexican problem soon.

He leaves for Philadelphia early this afternoon and his address there before the historic Independence hall will be the first since the Carrizal incident—in fact the first since his re-nomination.

It is before the Press Club of New York to-night, however, that his friends expect him to open up on the question. They believe he will make a vigorous defense of the policy he has pursued there, outline his future course and perhaps sharply question his critics and political opponents on what they would do under similar conditions.

AN ANGRY BULL MOOSER.

Out for Wilson, He'll Return Roosevelt Emblems.

Bridgeport, Conn., June 30.—"I'm for Wilson," said John Flood, delegate from Fairfield county to the Progressive national convention in Chicago. Flood is going to tell Colonel Roosevelt this, too, and further crush him by returning a batch of Roosevelt buttons and badges and bandannas and Bull Moose emblems to Oyster Bay.

WAR DEPARTMENT ASKS \$15,000,000 FOR FLYING

Submits Supplemental Estimates to Congress Asking for Immediate Action.

Washington, June 30.—The war department submitted supplemental estimates to Congress yesterday calling for an appropriation of \$15,000,000 for army and National Guard air service. It asked that the money be made immediately available in order that equipping National Guard units with air craft may begin without delay. The estimates show an increase of \$12,000,000 over Senate figures previously fixed, and \$14,000,000 over the House military committee's plan. The increase is due to a signal corps plan to outfit at once 12 National Guard aeroplane squadrons, one to each tactical division. Each squadron would have 36 scouting and battle air craft in addition to its motor truck and motorcycle equipment.

"SLACKERS" TO BE TREATED WITH UTMOST VIGOR

Genuine Conscientious Objectors Given Opportunity to Escape Fighting Service, Says Asquith.

London, June 30.—Premier Asquith yesterday made his promised statement in the House of Commons regarding the procedure of the war office towards "conscientious objectors" to military service, who had committed offenses in this connection. All men who honestly objected to military service, said the premier, ought to be able to avail themselves of the exemption privileges. Those who put forward the plea of conscientious objection as a cloak to cover indifference to respond to the national call, ought to be treated with the utmost vigor. The

premier announced that genuine conscientious objectors who undertook to perform work of national importance would cease to be the subject of military discipline.
